

Morwell Golf Club Strategic Plan

Vision:

“At Morwell Golf Club we provide inclusive and friendly golf opportunities to the Latrobe Valley”.

Morwell Golf Club will strive to achieve its vision by:

Values:

- we are leaders, ensuring good governance and we value and respect our volunteers, members and visitors through a code of conduct;
- we offer a range of ways to play golf and engage with the club, in line with current trends;
- our services are affordable and sustainable;
- the facilities are well maintained and we are planning for the future; and
- strong partnership with Golf Australia and other local stakeholders and supporters is a priority.

Success at Morwell Golf Club will look like:

Measures:

- members feel connected and notice that the club is friendly;
- there will be a diverse group of members and players visiting the course, some recently joined;
- there will be sound policies and practices in place, implemented by a well-run committee;
- volunteers will feel valued and the workload spread across a broad group of people in a range of roles;
- many partners will support the club: Council, GippSport, Golf Australia, schools, other clubs and sponsors;
- facilities and course will be well maintained; and
- the club is financially sustainable.
